Vintage TMA Rules: All sleds must be at least 35 years old as of this year and meet Vermont Law, Title 23, Chapter 29. Full price of \$65 is charged for your first sled and \$25 for each additional. \$5 from each TMA will be sent to your club of choice as a donation. All sleds must be registered to the same owner. Each sled must be registered as a snowmobile in a state or province (not antique) and carry liability insurance. Note if you have more than five you wish to register in a season, you must start over the process with your first sled at \$65 and each after \$25 each up to another five and then the process repeats again. Born after July 1, 1983? You must have a Vermont Snowmobile Safety Certificate or equivalent. Riders must carry proof of insurance and safety certificate with them at all times while riding.

In order to protect landowners who make their lands available for recreational uses by the public, Vermont has passed legislation limiting the liability of such landowners. This includes the use of private property for snowmobiling. When a landowner makes their land available for recreational purposes, and does not charge a fee to the users, Vermont law provides that the landowner shall not be liable for any property damage or personal injury arising from the use of the land, unless the landowner intentionally causes the property damage or personal injury. As a result, the landowner is not presumed to have made any assurance that the land is safe for recreational uses, nor does it create any duty on a landowner of land to inspect the land to discover any dangerous conditions. Thus you, as a member of VAST, when using any of the trails which constitute the Statewide Snowmobile Trail System (SSTS) use the SSTS at your own risk. You must take care to use them with caution and due regard for your own safety and that of others using the SSTS. You agree that neither the landowner, VAST, or local VAST affiliated club, has made any representation or assurance to you as to the relative safety or condition of the SSTS and that neither VAST, or local VAST affiliated club nor the landowner are obligated to maintain the SSTS in a safe condition or to inspect the SSTS for safety purposes. As a member of a VAST and a local VAST affiliated snowmobile club, I the undersigned, owner of the snowmobile described on this TMA, declare that I am responsible for my use of SSTS in conformance with the snowmobile laws and rules of the State of Vermont and willingly accept all the risks inherent in such use.

I expressly acknowledge and accept that snowmobiling is an inherently dangerous activity and pursuant to VT ST T. 12 § 1037, "a person who takes part in any sport accepts as a matter of law the dangers that inhere therein insofar as they are obvious and necessary." I acknowledge that snowmobiling, is an off-road experience and I may encounter debris, trees, rocks, animals, weather conditions and that trail conditions may change without warning. I acknowledge that trail signage is not a legal requirement and that neither VAST nor the landowner have a duty to provide signage warning of potential trail hazards. When signage is provided, it is primarily for directional purposes. The provision of certain safety related signs, such as stop signs at certain intersections, does not impose a duty on VAST, local VAST affiliated club or a landowner to mark all safety hazards. I further acknowledge that I will always stay on VAST designated riding areas and trails within the SSTS. No VAST designated riding areas or trails within the SSTS cause a rider to cross any frozen body of water; accordingly, if I do so cross any frozen body of water, I represent and warrant that I assume all personal responsibility, no matter the circumstance, including whether I have done so on my own, where led by others, or if leading others. When using the SSTS, I assume all risk of personal injury, death or property loss resulting from any cause whatsoever, including, but not limited to the risks, dangers and hazards of and inherent to snowmobiling and as a result, neither VAST, the local club nor the landowner shall be liable for any such personal injury, death or property loss.

Based upon the foregoing, I hereby waive, release and forever discharge VAST and/or the local club and any of its directors, officers, agents, servants and successors and/or the landowner(s) from any and all claims for loss, damages, death, personal injuries, property damage, costs, contributions, or indemnification whatsoever on account of, or in any way arising out of my use of the SSTS for, or in furtherance of snowmobiling, unless the same is the result of willful misconduct or intentionally caused by VAST or the landowner. I also affirmatively represent, warrant, and agree that I will require any person to whom I lend or rent my snowmobile to read and agree to these disclaimers and to ensure they are aware of the risks mentioned above and will advise them that neither VAST, its member clubs nor any landowner shall bear any liability for any damages or injuries they suffer while using the SSTS.
